AUTHOR Chief Tybir, Grey City, Office 9

SUMMARY: Project Clara entails the belief that the personality within the cannon *Clara* is sympathetic, especially under long-term circumstances. We wish to introduce magically-protegetic children to the cannon to attempt to remove the personality preventing the cannon's reconstruction.

Three possible subjects for Project: Clara have been identified within Arear. These are: Items A.644.16, A.644.17, A.644.18, the wife and children of Item A.644.15, Inspector Dead Man.
