RECIPIENT: Chief Arrow, Arear, Office 9
DATE: 11.15.651 SA
AUTHOR: Lieutenant General Brody, Arear, Office 6

SUMMARY: Arrow. Five hours ago, the remnants of Silent Company returned. Here is a summary of the report:

Survivors: Thirteen of the original fifty-two. Of the thirteen, three returned critically wounded. One of those died soon after arrival. Of the remaining twelve, four were rendered insane by the experience and will be sent to Clear Air.

Objective: Project Otherworld was successful. The realm of Kalma still exists beyond The Gate.

NOTE: I am writing to inform you that I need your services—information on Project Otherworld must not spread. Silent Company must live up to its name. I request one of your operatives to be sent for formal execution.
