

CONF.: 9

SUBJECT: Further Action
RECIPIENT: Brigadier General Double, Arear, Office 7
DATE: 26.9.675 SA
AUTHOR: OFFICIAL CORRESPONDENCE

SUMMARY: The situation in Arear is unstable. Should the Ecclesiastes be ousted, further action must be taken by your brigade. Should your brigade fail in the recovery of the Chalice of Areth or the Amulet, further action must be taken by external parties. Let this be a warning. Should you fail, Soth will ensure success at any cost, first at Gaunt, then at Arear. A city without the Faith is not a city of the State.

Ilie must be nurtured and grown, for there are no other gods left.
