SUBJECT: Memo 3 on Items A.644.16, A.644.17, A.644.18  
RECIPIENT: Chief Tybir, Grey City, Office 9

AUTHOR: Chief Arrow, Arear, Office 9

SUMMARY: Inspector Jaguar 6 executed the seizure of afore-discussed Item A.644.16 and the two children, A.644.17 and A.644.18. Item A.644.15, Inspector Dead Man, was not present. The noteworthy Items were taken into custody in a secure location outside the city. Their transfer has been put through for the Grey City through means of the Main Line on 5.2.645.

NOTES: It is my personal opinion that the children will be ideal for the advancement of the Clara operation. The characterization done by Dr. Truth was truly encompassing, and the powers that the children exhibited were beyond any I have ever seen for their age group.
